

SOCIAL STUDIES 10

Horizons: Canada Moves West

Chapter One: Colonies in the Wilderness

Assignment Three: Canada: The Land

Instructions: Read pages 11-13, and complete the following:

- a) As you read this section, record in Part 1 below, each city, lake, river, mountain range, etc. that the narrator mentions.
- b) Using an atlas (at back of room), plot the route described onto the map outline. **Label** each item on the list in part 1. If the city, lake, river, etc. is **NOT** mentioned in the narrative, and is therefore **NOT** on your list, then *do not* record it on the map outline.

Part 1

As you read "Canada: The Land", record the route of the trip described. Include the lakes, rivers, cities and other physical features mentioned (example: Fraser Valley/Canyon, shore of Lake Superior).
