

Diary Entry Assignment:

/15

- Using the information on p. 57-5~~8~~⁹, choose to write from the point of view of ONE of the following:
 1. An Algonkian
 2. An Ojibwa
 3. A Mowhawk
- Write a diary entry from the time of the mid 1800s when Europeans were entering and settling in your area.
- Your entry should be ½ page to a full page of writing
- To receive full marks, answer the following questions in addition to the other information in your diary entry:
 - What is the date?
 - What is your age and your gender? (how do these things make you experience the European's arrival differently)
 - How are you feeling about the European's presence?
 - How are they affecting you and your families/tribes life? (positively, negatively, or both)
 - Discuss the economic, environmental and social implications for you and your family
 - What do you think will be consequences in the future for you and your family/tribe if the Europeans stay in your area?

****All of this information may not be in the textbook so you may have to use your imagination to come up with some of your answers.**
